

Reviewers for *Pharmaceutical Research* (Volume 22) for the Period of January 1, 2005 to December 31, 2005

The editorial team of *Pharmaceutical Research* wishes to acknowledge the vital role played by the scientists, whose names appear in this and the next few pages, in keeping the quality of the journal high. Their commitment to excellence is admirable and very much appreciated by members of the pharmaceutical community. Special recognition goes to the seven reviewers who have reviewed more than 10 manuscripts each for the journal.
