

Reviewers for Pharmaceutical Research November 2000 Through October 2001

The editors of *Pharmaceutical Research* wish to thank the reviewers, whose names appear on the list below, for their generosity with their time in offering insightful reviews on the manuscripts for the journal. They have played a key role in keeping the high quality standard of *Pharmaceutical Research*. Those reviewers with ** after their names reviewed more than 6 manuscripts during the 12-month period, while those with * after their names 4–5 manuscripts. A special note of appreciation goes to Drs. Ian Haworth, Wim Hennink, and Joseph Polli for reviewing 10 manuscripts each.
