COVERING PHARMACEUTICAL SCIENCE AND RESEARCH ON THE INTERNET

March 2002

AAPS Conference Addresses Pharmaceutics and Drug Delivery Research

Join the only major pharmaceutical conference dedicated exclusively to pharmaceutics and drug delivery research, April 22-24, 2002 at the Crystal Gateway Marriott in Arlington, Va.

The AAPS Pharmaceutics and Drug Delivery Conference will provide state-of-the-art information about the many roles that drug delivery is now playing in bringing new therapies to patients and controlling the life-cycle management of older drug products. The large number of drug delivery companies that emerged during the past two decades reflects the importance of pharmaceutics and drug delivery research. This conference is planned as an annual event to continue evolving pharmaceutical sciences in the future.

Symposia topics include: current trends in parenteral drug delivery, controlled release technologies for solid dosage forms and the fate of formulations and drugs in the colon.

AAPS Presents Workshop on Chemical, Physical Form Selection of Drug Candidates

Pharmaceutical, analytical and chemical process development scientists will not want to miss the AAPS Workshop on Chemical and Physical Form Selection of Drug Candidates: Principles, Considerations and Case Studies, April 25-26, 2002 at the Crystal Gateway Marriott in Arlington, Va.

Attendees will:

- Develop an understanding for the fundamental principles underlying salt selection

**"...The pharmaceutical scientists' source
for top experts, innovative programs,
and key networking. ..."**

- Acquire knowledge of various analytical tools that can aid identification of an optimal form
- Introduce novel concepts as related to salt selection
- Learn first-hand through case studies and real examples
- Maintain an open dialogue with other attendees and presenters to obtain useful, non-proprietary information

Register for both this workshop and the AAPS Pharmaceutics and Drug Delivery Conference (April 22-24 at the same location) and save up to \$180!

For further information or registration details, visit www.aapspharmaceutica.com/candidates or call 703-243-2800.

Improve Your Managerial Skills at AAPS Seminar

If you've recently been promoted from bench scientist to manager, then don't miss the AAPS Management Seminar: Pharmaceutical Scientists-from Bench to Management, April 25-26, 2002 at the Crystal Gateway Marriott in Arlington, Va.

Attendees will learn the following from a national training director:

- Identify similarities and differences as a supervisor vs. a bench scientist
- Define behaviors associated with leadership and management
- Explore tips and techniques for working with different personality types
- Enhance your communications skills to maintain positive and effective working relationships
- Learn effective conflict resolution
- Understand and manage the change of how others perceive you as a supervisor

AAPS is seeking nominations for the 2002 AAPS Awards, to be presented during the 2002 AAPS Annual Meeting in Toronto, Ontario, Canada, November 10-14, 2002. The following is a list of the 2002 AAPS Awards. The deadline for nominations follows each award.

AAPS Fellows	April 12
Dale E. Wurster Award	May 6
Distinguished Service Award	May 6
Graduate Symposium in Analysis and Pharmaceutical Quality	April 8
Graduate Symposium in Biotechnology	April 8
Graduate Symposium in Drug Delivery and Pharmaceutical Technology	April 8
Graduate Symposium in Pharmacokinetics, Pharmacodynamics and Clinical Sciences	April 8
Meritorious Manuscript Award	April 6
New Investigator Grant in Oral Lipid-Based Drug Delivery Systems	May 6
New Investigator Grant in Pharmaceutics and Pharmaceutical Technology	May 6
New Investigator Grant in Pharmacokinetics, Pharmacodynamics and Drug Metabolism	May 6
Outstanding Educator Award	May 6
Outstanding Graduate Research Awards in Pharmaceutical Technologies	May 6
Outstanding Manuscript Award in Analysis and Pharmaceutical Quality	May 6
Outstanding Manuscript Award in Pharmaceutical Development and Technology	May 6
Postdoctoral Fellow Award	April 8
Research Achievement Award in Analysis and Pharmaceutical Quality	May 6
Research Achievement Award in Economic, Marketing and Management Sciences	May 6
Research Achievement Award in Medicinal and Natural Product Chemistry	May 6
Research Achievement Award in Pharmacokinetics, Pharmacodynamics and Drug Metabolism	May 6

More details about each award can be found on AAPS Pharmaceutica at www.aapspharmaceutica.com/resources/fellows/awardinfo.htm.

More information on nomination and application procedures may be obtained from the AAPS office by calling 703-243-2800.

Please identify the award for which you need nomination materials when contacting the office.
