

Reviewers for *Pharmaceutical Research* (Volume 23) for the Period of January 1, 2006 to December 31, 2006

The editorial team of *Pharmaceutical Research* wishes to acknowledge the vital role played by the scientists, whose names appear in this and the next few pages, in keeping the quality of the journal high. Their commitment to excellence is admirable and very much appreciated by members of the pharmaceutical community. Special recognition goes to the five reviewers who have reviewed more than ten manuscripts each for the journal.
