

Correction to “Beyond Desensitization: Physiological Relevance of Arrestin-Dependent Signaling”

In the above article [Luttrell LM and Gesty-Palmer D (2010) *Pharmacological Reviews* **62**:305–330], the symbol indicating the presence of supplemental materials was erroneously inserted during copyediting. The symbol appeared in the Table of Contents for the issue as well. There is no supplemental material.

This article and the Table of Contents have been corrected in departure from the print version.

We regret this error and apologize for any confusion or inconvenience it may have caused.
