

ERRATUM

MARCH 1978 ISSUE

GOAS, J. A. AND J. E. BOSTON, JR. *Discriminative stimulus properties of clozapine and chlorpromazine*. PHARMAC. BIOCHEM. BEHAV. 8(3) 235-241, 1978. —

The editor wishes to call attention to the following error on page 240. The last paragraph, left-hand column preceding the Discussion section, should read as follows:

Haloperidol substituted for chlorpromazine at two of the three doses tested. Mean percent chlorpromazine-appropriate responding \pm one standard error for each of the doses was: 0.5 mg/kg, $\bar{X}\% = 91.9 \pm 4.0$; 1.0 mg/kg, $\bar{X}\% = 93.3 \pm 4.4$; 2.0 mg/kg, $\bar{X}\% = 73.2 \pm 17.3$ (N = 7 each).
