

ERRATUM

FEBRUARY 1979 ISSUE

MEWALDT, S. P. AND M. M. GHONEIM. *The effects and interactions of scopolamine, physostigmine and methamphetamine on human memory.* PHARMAC. BIOCHEM. BEHAV. **10**(2) 205-210, 1979.

The authors wish to call attention to an error which was introduced on page 207 of their paper. The label "Set 2" was omitted from Table 3 and should be inserted to divide the first seven from the last seven drug entries in the table.
