

Announcing a New Publication

Peptides

An International Journal

Under the general editorship of Dr. Abba J. Kastin. Editorial Board and Table of Contents for the first issue, early 1980, will be announced later.

AIMS AND SCOPE

Peptides will publish original reports of systematic studies on the chemistry, biochemistry, neurochemistry, synthesis, endocrinology, gastroenterology, physiology, and the neurological and behavioral effects of the peptides. A limited number of relevant reviews and theoretical articles, results of symposia, more comprehensive studies as monograph supplements, and brief communications which describe a new method, technique, or apparatus, and results of experiments which can be reported briefly will also be published. Articles will be published in English.

Manuscripts should be submitted directly to:
