

ANNOUNCEMENTS

International Symposium on the Brattleboro Rat

An international symposium on the Brattleboro rat will be held at Dartmouth Medical School on September 5-7, 1981. The meeting will coincide with the 20th anniversary of the discovery of this strain. List of participants and topics are being compiled now.

Please send names and ideas to:

Dr. Hilda W. Sokol and Dr. Heinz Valtin
Department of Physiology
Dartmouth Medical School
Hanover, New Hampshire 03755, U.S.A.

The 10th International Congress of Electroencephalography and Clinical Neurophysiology will be held in Kyoto, Japan under the auspices of the International Federation of Societies for Electroencephalography and Clinical Neurophysiology, for the duration of September 13-18, 1981. The Congress will be followed immediately by the Epilepsy International Congress—1981 and the 12th World Congress of Neurology at the same location.
