

# ANNOUNCEMENT

Epilepsy International Congress—1981 (XIV Congress of International League Against Epilepsy, XIII Symposium of International Bureau for Epilepsy).

Organized by: Epilepsy International (International League Against Epilepsy—ILAE, International Bureau for Epilepsy—IBE), Japan Epilepsy Society, and Japan Epilepsy Association.

The Congress will be held from Thursday, September 17 to Monday, September 21, 1981 at the Kyoto International Conference Hall located in the northern outskirts of Kyoto City.

This Congress will therefore be a link between the 10th International Congress of Electroencephalography and Clinical Neurophysiology (Sept. 13–18) and the 12th World Congress of Neurology (Sept. 20–26), both to be held at the Kyoto International Conference Hall.
