Persistent Effects of Perinatal Drug Dependence

COMMITTEE ON PROBLEMS OF DRUG DEPENDENCE SATELLITE MEETING

San Francisco, July 16, 1981

A satellite session, "Persistent Effects of Perinatal Drug Dependence," will be held on Thursday, 16 July 1981 from 8:30 AM to 2:00 PM. As with previous sessions, papers dealing with persistent effects of exposure of the developing organism to drugs of abuse will be presented to provide a multidisciplinary perspective on this growing problem. In addition, a panel of speakers will provide overviews on relevant topics. For further information please contact:
