

**Curt P. Richter Prize**  
in  
**Psychoneuroendocrinology**

Through the generosity of the Irish Foundation for Human Development, an Annual Prize has been established for meritorious research in the area of Psychoneuroendocrinology. The sum of \$1,000 will be awarded annually for the best essay or manuscript (original research or a review including original research) submitted by a scientist or physician under 40 years of age by January 1, 1982. The winning paper will automatically be considered for publication in the journal, *Psychoneuroendocrinology* and should be prepared according to the journal's instructions to authors. The aim of the prize is to encourage younger scientists to contribute to this interdisciplinary field.

Manuscripts should be submitted in quadruplicate to:

Dr. Fleur L. Strand, Secretary  
International Society of Psychoneuroendocrinology  
Biology Department, New York University  
952 Brown, 100 Washington Square  
New York, N.Y. 10003 U.S.A.

All submissions will be screened by a broad committee of established psychoneuroendocrinologists. Deadline is January 2, 1982. The prize will be awarded at the 1982 meeting of the society in Tübingen, Germany. The winner will be notified by May 1, 1982.
