

# ANNOUNCEMENTS

3rd European Conference on Brain Research

3<sup>e</sup> Séminaire Hivernal  
des Neurosciences Européennes

*to be held in the French Alps during the*  
third week of March 1983

For further information contact: Dr. Stylianos Nicolaidis  
E.W.C.B.R.  
Neurobiologie des Régulations  
Chaire de Neurophysiologie  
Collège de France  
11 place M. Berthelot  
75231 Paris Cedex 05, France

---

A National Institutes of Health Consensus Development Statement on Defined Diets and Childhood Hyperactivity now may be obtained from the NIH Office for Medical Applications of Research. The report was prepared by a panel of experts which considered scientific evidence presented at a Consensus Development Conference at the NIH. It contains recommendations and conclusions concerning the effect of defined diets on hyperactivity.

Free, single copies of the Consensus Statement on Defined Diets and Childhood Hyperactivity are available from: Michael J. Bernstein  
Office for Medical Applications of Research  
Building 1, Room 216  
National Institutes of Health  
Bethesda, Maryland 20205

OFFICIAL SATELLITE SYMPOSIA OF THE  
TWENTY NINTH CONGRESS OF THE  
INTERNATIONAL UNION OF PHYSIOLOGICAL SCIENCES
