Bulk ( $H_{c2}$ ) and Surface ( $H_{c3}$ ) Nucleation Fields of Strong Coupling Superconducting Alloys, Gert Eilenberger and Vinay Ambegaokar [Phys. Rev. B 2, 1433(E) (1970)]. Typesetting errors occurred in Eqs. (4.13) and (5.10) as printed in the erratum although they were correctly shown in the original article [Phys. Rev. 158, 332 (1967)]. The correct versions are as follows:

$$\left(\frac{H_{c2, \text{obs}}}{H_{c2, \text{BCS}}}\right)_{T \rightarrow T_c} = \left(\frac{H_{c, \text{obs}}^2 \Delta_{\text{BCS}}^2}{H_{c, \text{BCS}}^2 \Delta_{\text{obs}}^2}\right)_{T \rightarrow T_c}, \quad (4.13)$$

$$\left(\frac{H_{c, \text{obs}}^2 \Delta_{\text{BCS}}^2}{H_{c, \text{BCS}}^2 \Delta_{\text{obs}}^2}\right) = 1.2. \quad (5.10)$$
