This paper was published online on 16 September 2008 with an omission in the Acknowledgements. The third sentence of the Acknowledgments should read as: "T.L. acknowledges support from the Royal Commission of 1851, and T.F. from the Hungarian OTKA PF-63954, K-68807, and Janos Bolyai Research Scholarship of the HAS." The Acknowledgments have been corrected as of 25 September 2008. The Acknowledgments are correct in the printed version of the journal.
