PACS number(s): 78.20.Ls, 78.55.Et, 42.65.Dr, 75.50.Pp, 99.10.Cd

On page 045213-2, on the last line of the second column (below Eq. (4)), $P=12 \times (1-x)$ should read $P=12x(1-x)^{18}$.
The above typographic error does not in any way affect the calculations or conclusions of the paper (which were made with the correct expression).
