PACS number(s): 75.70.Ak, 75.80.+q, 75.50.Ee, 99.10.Cd

It has come to our attention that there was an error in our paper. The error is in the sentence that starts at the end of page 2 and ends at the beginning of page 3.

In the published version it reads: “This suggests that the transition observed at T^* is ferromagnetic-like,” while it should read: “This suggests that the transition observed at T^* is ferrimagnetic-like.”
