An error occurs on p. 4244 of our paper in the sentence four lines below the unnumbered equation. The sentence ''The height in the site i is increased by (i) 1 if $h_i \geq \min(h_{i+1}, h_{i-1})$ and $F_i(h_i+1)=1$, and (ii) Y_i if $h_i < \min(h_{i+1}, h_{i-1})$ and $F_i(h_i+Y_i)=1$'' must be replaced by ''The height in the site i is increased by (i) 1 if $h_i \geq \max(h_{i+1}, h_{i-1})$ and $F_i(h_i+1)=1$, or (ii) Y_i if $h_i < \max(h_{i+1}, h_{i-1})$ and $F_i(h_i+Y_i)=1$.''
