The following mistakes were made by the production staff in the references in the above paper. References [19,20,21,29] were published in *Astronomy & Astrophysics* (not in *Appl. Acoust.*). Reference [23] was published in *Bulletin of the American Astrophysical Society (BAAS)* (not in *Behav. Biol.*). In Fig. 2 we are responsible for the following misprint: the x axis should be labeled K instead of G .
