Publisher's Note: Universal finite-size scaling functions with exact nonuniversal metric factors [Phys. Rev. E 67, 065103(R) (2003)]

Ming-Chya Wu, Chin-Kun Hu, and N. Sh. Izmailian
(Received 7 July 2003; published 1 August 2003)

This paper was published online on 26 June 2003 with an incorrect expression for Ω_4 in the last sentence before Eq. (3), owing to a misinterpretation of a proof correction. The correct form should be $\Omega_4 = -\,\mathrm{sgn}(\theta/\theta_c - 1)\Omega_{00}$. This oversight was corrected as of 11 July 2003. The article is correct in the printed journal.
