This paper was published online on 26 February 2003 with an incorrect version of Fig. 6. It has been corrected in the online version of the journal as of 25 August 2003, and a copy of the correct figure is reproduced below, since the printed version of the journal is incorrect.

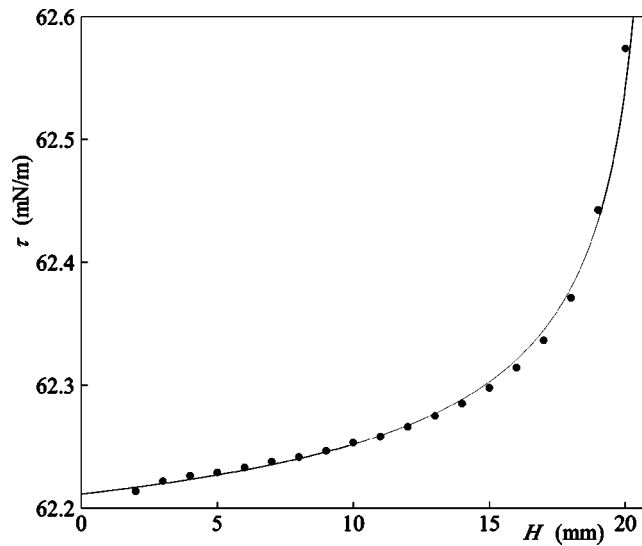

FIG. 6. Film tension τ versus film height H for a 100 layer film at 21.9°C. The solid line is calculated with Eqs. (1) and (9).
