This paper was published online on 26 April 2004 with typographical errors in the inequality appearing in the second paragraph of the right column on p. 5. The inline equation was incorrectly formatted such that the superscripts and subscripts remained inline rather than offset. The equation should read "$\lambda_1^2[D/a^2(0)] = \lambda_1^2(D) < 2[\Omega/a(0)]^2[a^2(0)/(4D) - 1] = 2\Omega^2[1/(4D) - 1]$." It has been corrected as of 12 May 2004. The text is correct in the printed version of the journal.
