This paper was published online on 4 June 2004 with an incorrect version of Fig. 13. Due to a color conversion error in the figure, the value intensity does not correctly reflect the supplied data. A new black and white version of Fig. 13 has been incorporated to better illustrate the distinction of data value intensity. It has been corrected as of 18 June 2004. The figure is correct in the printed version of the journal.
