This paper was published online on 3 August 2006 with typographical errors in Eq. (1) and the text immediately preceding it. Starting at the end of page 2 the text should read as “The transmembrane voltage obeys...,” and Eq. (1), on page 3, should read as “ $(C_m + C_e) \frac{dU_m}{dt} = \dots$.” The errors have been corrected as of 16 August 2006. The text is correct in the printed version of the journal.
