Publisher's Note: Inverse method for the determination of a mathematical expression for the anisotropy of the solid-liquid interfacial energy in Al-Zn-Si alloys [Phys. Rev. E **74**, 021604 (2006)]

C. Niederberger, J. Michler, and A. Jacot

This paper was published online on 23 August 2006 without several of the author's corrections incorporated. On page 4, right-hand column, the third line between Eq. (11) and Eq. (12) should read as "...The matrix $[\mathbf{M}]$ is a...". Also on page 4, right-hand column, the second line above Eq. (13) should read as "...mean square deviations $S(\boldsymbol{\epsilon})$ between...". On page 6, Fig. 4 should have been replaced by a clearer version of the figure. On page 8, Ref. [23] should read as "F. Gonzales and M. Rappaz, Metall. Mater. Trans. A (to be published).". The errors have been corrected as of 29 August 2006. The printed version of the journal incorporates the corrections.
