This paper was published online on 27 February 2008 with two typographical errors on page 3. On page 3, the eleventh line of the caption to Fig. 1 should read as “Lévy α -stable distribution (with $\alpha \cdot \cdot$.” In Eq. (18) the third line should read as “if $\mu=s$.” The errors have been corrected as of 29 February 2008. The text is correct in the printed version of the journal.
