

ERRATA

DHAR, K. L. and RAINA, M. L. (1973) A novel withanolide from *Datura quercifolia*. *Phytochemistry* **12**, 476-478.

It is regretted that the structures below were omitted from p. 478 of this article.

KNEGT, E. and BRUINSMA, J. (1973) A rapid, sensitive and accurate determination of indolyl-3-acetic acid. *Phytochemistry* **12**, 753-756.

The formula on p. 755 should read:

$$(\text{regression } y = 26.3x + 247 \text{ mg} \dots)$$
