

ERRATA

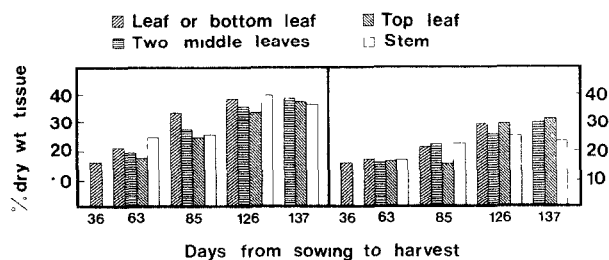

E. MALAN and D. G. ROUX (1974) (+)-2,3-*trans*-pubeschin, the first catechin analogue of peltogynoids from *Peltogyne pubescens* and *P. Venosa* *Phytochemistry* **13**, 1575-1579

The publisher regrets that an error occurred in structure (8) on p. 1577; the corrected structure appears below

A. J. BUCHALA and K. C. B. WILKIE (1974) Total hemicelluloses from barley plants at different stages of maturity *Phytochemistry* **13**, 1347-1351.

The publisher regrets that the figure (below) was omitted in publication

PERCENTAGES OF α -CELLULOSE AND OF TOTAL HEMICELLULOSE IN TISSUE OF BARLEY AT DIFFERENT STAGES OF MATURITY

The publisher regrets that an error occurred in the heading of Table 1 *Phytochemistry* **8**, 2046 (1969)

The heading should read

TABLE 1 PERCENTAGE OF HOLOCELLULOSE
