

ANNOUNCEMENT

FIRST INTERNATIONAL CONGRESS FOR RESEARCH ON MEDICINAL PLANTS

(24th Annual Meeting of the Gesellschaft für Arzneipflanzenforschung)

Organised under the auspices of Gesellschaft für Arzneipflanzenforschung, the Phytochemical Society
and the International Association for Plant Tissue Culture

University of Munich (BRD), 6–10 September, 1976

Section A: New natural products with pharmacological or therapeutical activity

Section B: Plant tissue culture and its bio-technological application

Seminar: Phytopharmaceuticals and the new drug law (invited speakers)

Plenary lectures of Section A:

Screening methods in medicinal plant research (N. Farnsworth, Chicago, USA), *Tumor inhibiting natural products* (S. M. Kupchan, Charlottesville, USA), *Natural products acting on liver* (G. Vogel, Köln), *Plant mono-, di- and sesquiterpenoids with pharmacological or therapeutical activity* (O. Stichler, Zürich), *Chemistry of new alkaloids with biological or therapeutical activity* (H. Achenbach, Freiburg) a.o.

Registration for short lectures on new natural products or plant drugs possessing pharmacological or therapeutical activity can be made till 1st April 1976.

Section B: (Cell Culture Symposium with invited speakers)

Session 1: *Somatic hybridisation and fusion*, Session 2: *Cell cultures and secondary products*, Part I, Session 3: *Catabolism of Xenobiotics*, Session 4: *Instrumentation and general techniques*, Session 5: *Biotransformations*, Session 6: *Biochemistry, physiology and regulatory aspects of plant cell cultures*, Session 7: *Cell cultures and secondary products*, Part II, Session 8: *Regeneration*

Organisation Committee:

H. Ammon (Tübingen), W. Barz (Münster), N. Farnsworth (Chicago), H. Grisebach (Freiburg), H. Haas (Mannheim), E. Reinhard (Tübingen), E. Stahl (Saarbrücken), T. Swain (Boston), T. A. Thorpe (Calgary), G. Vogel (Köln), F. Wagner (Stöckheim), H. Wagner (München), M. H. Zenk (Bochum)

The provisional programme will be announced in December 1975

Inquiries regarding Section A and seminars may be addressed to

Dr. P. Wolff or Prof. H. Wagner
D-8000 München 2, Karlstr. 29
Institut für Pharmazeutische Arzneimittellehre
West Germany.

Inquiries regarding Section B may be addressed to

Prof. E. Reinhard
D-7400 Tübingen, Auf der Morgenstelle 8
Pharmazeutisches Institut
West Germany.
