

ERRATA

Per A. Wrang and Jørgen Lam (1975). Polyacetylenes from *Chrysanthemum leucanthemum*. *Phytochemistry* **14**, 1027–1035.

Two errors have appeared on page 1034 in the second column under *Compounds from the roots*, line 28. The figures 35 and 36 both in parenthesis should be substituted by scopoletin and isofraxidin, respectively.

Isamu Murakoshi *et al.* (1975) Enzymic alanylation of an isoxazoline glucoside by legume seedling extracts. *Phytochemistry* **14**, 1515–1517.

The authors regret an NH_2 -group was omitted from Scheme 1 on p. 1515. The correct scheme should appear thus:

Scheme 1.
