

## ANNOUNCEMENT

### 12th FEBS MEETING, DRESDEN 2-8 JULY 1978

A symposium entitled

#### *Regulation of Secondary Product and Plant Hormone Metabolism*

will be organized as part of this meeting. Plenary lectures, poster sessions and round table discussions will be held. Topics: Regulation of enzyme synthesis and activity in secondary product and plant hormone metabolism; Compartmentation and channelling in secondary metabolism; Effectors influencing the expression of secondary metabolism; and Integration of secondary metabolism into programs of differentiation and development.

In the last few years research in secondary product and plant hormone metabolism has tended to concern itself not only with chemistry and biochemistry but also with regulatory problems. It is the intention of the organizers to give the participants an up-to-date survey of important activities in this rapidly developing field. Persons interested in attending the FEBS Meeting are asked to write for further details to the following address: 12th FEBS Meeting Dresden, DDR-806, Dresden, P.O.B. 313.
