A. KJAER and H. THOMSEN, Isothiocyanate-producing glucosides in species of Cappari-  
daceae. Page 32, "Note added in Proof" should read—L. C. MATAS (*Farmacognosia*  
(Madrid) **20**, 307 (1960)) recently provided evidence for the presence of glucocapparin  
in seeds of the crucifer *Matthiola tristis* (L.) R. Br.
