

## NOTICE

### PLANT PHENOLICS GROUP OF NORTH AMERICA

AN International Symposium, "Recent Advances in Phytochemistry", sponsored by the Plant Phenolics Group of North America and The Department of Botany, The University of Texas, will be held April 6-8, 1966, at The University of Texas, Austin. The symposium will feature the chemistry of major classes of secondary plant constituents with emphasis on their biological and systematic implications. For additional information and registration write to TOM J. MABRY, Symposium Chairman, The Department of Botany, The University of Texas, Austin, Texas, U.S.A.
