

ERRATUM

F. E. REGNIER, G. R. WALLER and E. J. EISENBRAUN

Studies on the composition of the essential oils of three *Nepeta* species. *Phytochem.* 6, 1281 (1967).

For formula VII on page 1282, insert the following:

(M. D. SUTHERLAND and O. J. WATERS, *Australian J. Chem.* 14, 596-605 (1961).)

This is a reproduction (by a Xerox process) of the Pergamon journal issue which is now out of print. Most volumes and issues of Pergamon Research and Review journals can be supplied from stock of the original printing. There are, however, some out of print issues which we are supplying in this form.
