

ERRATUM

R. W. POLLACK and P. J. DAVIES:

Kinetic studies on chloroplastic ribosomal RNA and chlorophyll development during greening of pea buds. *Phytochem.* 9, 471 (1970).

P. J. DAVIES address is:

Section of Genetics, Development and Physiology, Division of Biological Sciences, Cornell University, Ithaca, New York 14850, U.S.A.

On page 471, line 18 of text, chloroplastic 4-RNA should read: chloroplastic r-RNA.

On page 474, line 16, chloroplastic r-RNA should read: chloroplastic r-RNA.

On page 476, lines 19-20 should read: When inhibitors were used they were applied to the vermiculite in which the peas were growing (110 ml/500 cm³ of vermiculite) 24 hr before moving into the light and again 72 hr later.
