

ANNOUNCEMENT

SYMPOSIUM ON WOOD EXTRACTIVES

THE DIVISION of Cellulose, Wood, and Fiber Chemistry is sponsoring a symposium on Wood Extractives as part of the 161st American Chemical Society Meeting to be held in Los Angeles, Calif., U.S.A., 28 March–2 April 1971. This symposium will consist of 50-min invited plenary lectures and 20-min contributed papers. Consideration will be given to the possibility of publishing the plenary lectures as a bound volume.

Several international experts have already indicated their intent to present plenary lectures. Nominations for additional plenary lecturers and notice of desire to contribute a paper should be sent to the symposium chairman as soon as possible. The deadline for titles is 5 October 1970. Five copies of a 200-word abstract on forms that will be provided are due by 16 November 1970.

Dr. JOHN W. ROWE

Symposium Chairman,
U.S. Forest Products Laboratory, Madison, Wis. 53705, U.S.A.
