## Erratum

# Erratum to: “VO(IV) complexes of 3-hydroxypicolinic acid: a solution study and the structure of a supramolecular assembly in the solid state” [Polyhedron 22 (2003) 27–33]☆

Received 3 March 2003; accepted 3 March 2003

During processing for final publication an incorrect Figure 1 was inserted in the paper. The correct Figure 1 depicting the speciation curves for the complexes formed in the VO(IV)–3HPA system at 1:2 metal ion to ligand ratio,  $c_{\text{VO(IV)}} = 0.001 \text{ mol dm}^{-3}$  is shown below.

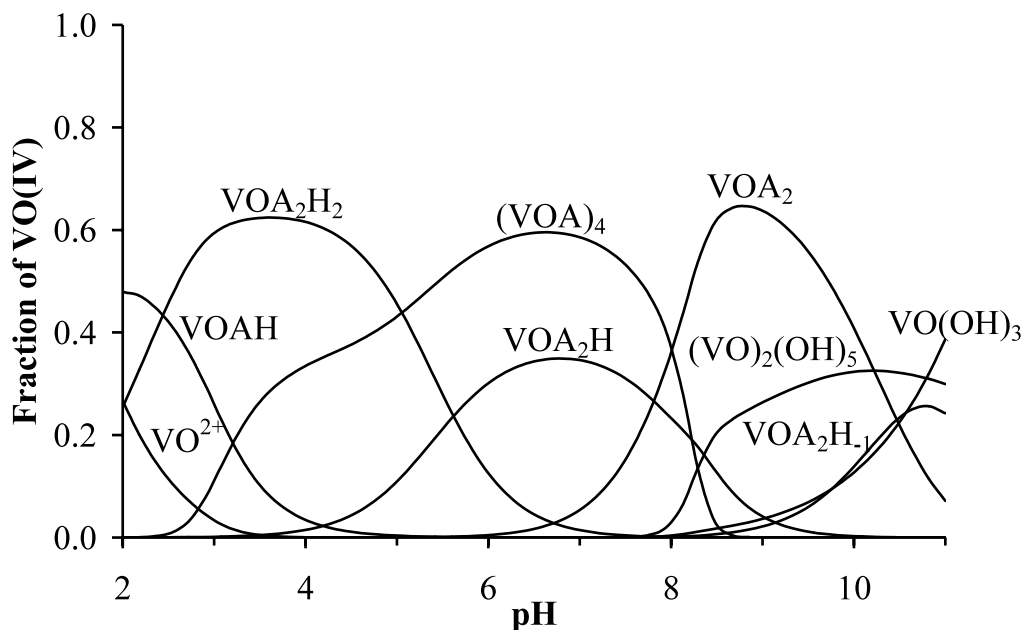

Fig. 1. Speciation curves for the complexes formed in the VO(IV)–3HPA system at 1:2 metal ion to ligand ratio,  $c_{\text{VO(IV)}} = 0.001 \text{ mol dm}^{-3}$ .
