*Publisher's announcement*

### **Extra issue scheduled for July 1982**

The publisher is pleased to announce that subscribers will receive thirteen issues of POLYMER in 1982 instead of the usual twelve.

The extra issue, which is scheduled for July 1982, will be included at no additional cost in the subscription price and will aim to speed up publication times of papers submitted to POLYMER.

Other issues of the journal will appear as usual in July, August, September, October, November, December.
