SECOND CIRCULAR AND CALL FOR PAPERS

POLYMER SCIENCE AND TECHNOLOGY

*A conference to honour Professor Ian M. Ward on his 65th Birthday
21 - 23 April 1993 University of Leeds*

This International Conference is organised to honour Ian Ward and to recognise the extensive contributions he and his group have made to Polymer Science. It will be held at the University of Leeds from lunch-time on Wednesday 21st April until tea-time on Friday 23rd April. Accommodation will be in recently refurbished student residences. Hotel accommodation will be available for those who prefer it. A social programme will complement a full scientific programme.

Invited speakers: Prof. A.S. Argon, Prof. E. Baer, Prof. Sir Sam Edwards, Prof. E.W. Fischer, Prof. H.H. Kausch, Prof. A. Keller, Prof. L. Monnerie, Prof. G. Wegner.

Sessions are anticipated on: Morphology, Liquid Crystal Polymers, Fracture and Yield of Polymers, Biomedical applications and Fibres.

Arrangements have been made, by courtesy of Butterworth-Heinemann, for those that wish to do so, to publish papers submitted to this Conference in a special edition of *Polymer*.

Those wishing to present a paper or poster at the Conference on any of the many areas with which Ian Ward has been associated over the years should submit an abstract by **31st October**.

It is anticipated that the number of potential registrants may exceed the number that can be catered for. Those wishing to reserve an option to attend the Conference are urged to send for a provisional registration form without delay. Further details outlining costs will be sent at the beginning of December to those who complete and return the form.

Contact: Dr R A Duckett, IRC in Polymer Science & Technology, University of Leeds, Leeds LS2 9JT.
