## *European & Rest of World Editors*

### **POLYMER**

**Professor I. M. Ward**

University of Leeds, UK

**Professor J. M. G. Cowie**

Heriot-Watt University, Edinburgh, UK

**Professor W. J. Feast**

University of Durham, UK

## *Japanese Associate Editor*

### **POLYMER and POLYMER COMMUNICATIONS**

**Professor Y. Imanishi**

Department of Material Chemistry, Kyoto University,  
Kyoto 606, Japan

## *European & Rest of World Associate Editor*

### **POLYMER COMMUNICATIONS**

**Dr R. W. Richards**

University of Durham, UK

## *North American Editors*

### **POLYMER**

**Professor R. K. Eby**

The University of Akron, Institute of Polymer Science,  
Akron, OH 44325-3909, USA

**Professor F. Harris**

The University of Akron, OH, USA

**Dr J. Pochan**

Eastman Kodak Company, Rochester, NY, USA

## *North American Associate Editor*

### **POLYMER COMMUNICATIONS**

**Professor C. W. Frank**

Department of Chemical Engineering, Stanford University,  
Stanford, CA 94305-5025, USA

## SUBMISSIONS

Manuscripts submitted to **Polymer** from North America should be sent to the North American Editor, **Polymer**, Professor R. K. Eby; manuscripts from Japan should be sent to the Japanese Associate Editor, **Polymer**, Professor Y. Imanishi; all other manuscripts should be sent to the Publishing Editor, **Polymer**, at the publisher's address.

Manuscripts submitted to **Polymer Communications** from North America should be sent to the North American Associate Editor, **Polymer Communications**, Professor C. W. Frank; manuscripts from Japan should be sent to the Japanese Associate Editor, **Polymer Communications**, Professor Y. Imanishi; all other manuscripts should be sent to the Publishing Editor, **Polymer Communications**, at the publisher's address.
