

## **Announcement**

### **Eighth Annual Meeting of the Polymer Processing Society New Delhi, India, March 24-27, 1992**

The PPS-8 Meeting will consist of 12 symposia conducted in four parallel sessions. Symposia topics and organizers are given below:

- . Polymerization & Reactive Processing - M.Lambla, J.T.Lindt, S.C.Kim
- . Rheology and Rheometry - S.G.Advani, H.M.Laun, K.U.Kim
- . Molding Technologies - G.Titomanlio, T.Kanai
- . Extrusion, Mixing & Compounding-H.E.H.Meijer, T.Sakai, C.Rauwendaal
- . Fibres & Films - A.S.Abhiraman, G.Vassilatos, J.G.Tomka
- . Structure Development in Processing-T.Kanamoto, S.Piccarolo, M.Cakmak
- . Polymer Blends & Alloys - T.Inoue, R.E.Prud'homme, M.J.Folkes  
E.Martuscelli
- . Polymer Composites - L.Nicolais, S.C.Lakkad
- . Liquid Crystalline Polymers and Other Speciality Polymers  
D.G.Baird, A.Misra
- . New Emerging Technologies - A.Singh, H.Fortuin, N.S.Subramanian
- . Process Control, Sensors, Statistical Control  
H.G.Fritz, L.R.Schmidt, D.A.Harper
- . CAD/CAM Modelling of Processing Operations -  
A.I.Isayev, M.J.Crochet, S.J.Lee

A number of distinguished scientists have agreed to deliver the key-note lectures in PPS-8.

Short abstracts of about 200 works on the symposia topics from the international community of scientists, engineers and technologists are invited. The deadline for submitting the short abstracts is September 30, 1991.
