#### **Announcements**

# **IUPAC International Symposium on Ionic Polymerization**

September 4-8, 1995 Istanbul, Turkey

#### **Topics**

Recent developments on the following aspects of cationic, anionic, ring opening and coordination polymerization:

- Fundamental Chemistry and Mechanisms
- Controlled Polymer Synthesis
- Telechelics, Macromonomers and Block and Graft Copolymers
- Industrial and Biological Applications
- High Energy and Light Induced Processes

Chairman: Yusuf Yağcı Secretary: A. Önen

Local Organizing Committee: M. H. Acar, S. Denizligil, G. Hızal, İ. E. Serhatlı, Ü. Tunca

For information, contact: IUPAC International Symposium on Ionic Polymerization,

#### POLYMER PHYSICS GROUP

The Institute of Physics

The Royal Society of Chemistry

# PHYSICAL ASPECTS OF POLYMER SCIENCE

6 - 8 September 1995, University of Leeds

The 17th Biennial Meeting of the Polymer Physics Group will be held at Devonshire Hall, the University of Leeds from 6th to 8th September, 1995. Registration for the Conference will be on the morning of Wednesday, 6th September and the first Scientific session will begin at 2:00 pm. The Conference will close with lunch on 8th September.

### **Keynote Papers:**

Prof. M. Muthukamar University of Massachusetts at Amherst
Pattern selection and recognition in polymers

Dr. A.J. Ryan Manchester Materials Science Centre
Time-resolved diffraction combined with other techniques

Dr. A.R. Blythe BICC Cables

Conductive Polymers: Progress towards practical applications

Prof. J.G. Williams, FRS
Imperial College of Science, Technology and Medicine
Fracture mechanisms in polymers

Papers submitted for either oral or poster presentation should be sent as an **abstract**, on a single A4 sheet suitable for direct reproduction, to the Honorary Secretary to reach him no later than **30th April**, **1995.** Dr. G.J. Lake, Malaysian Rubber Producers Research Association, Brickendonbury, Hertford, SG13 8NL Tel: 01992 584966 Ext 2080 Fax: 01992 - 554837

Papers on any aspect of Polymer Physics will be considered but preference may be given to those in the general areas covered by the invited speakers. The selection of papers for oral or poster presentation will be at the discretion of the Polymer Physics Group Committee.

## **Application forms**

Final information, including the full programme and application forms will be posted to members and others expressing interest in June, 1995. To request an application form or in case of query please contact: *Prof. G.R. Davies, IRC in Polymer Science and Technology, The University of Leeds, Leeds LS2 9JT Tel: 0113 2333815.*Fax: 0113 2333846 E-mail: g.r.davies@leeds.ac.uk
