WFBM-TV...THE STATION THAT DOUBLES THE SIZE OF YOUR INDIANAPOLIS MARKET !!!

The perfect media-match for your product distribution in prosperous Mid-Indiana

WFBM-TV advertisers get surprising results, not only in the rich Indianapolis metropolitan and retail trading zones, but also in the 11 other important market centers that together provide even more spendable income and TV homes than the entire Indianapolis sales area.

WFBM-TV is the *only* station in Indianapolis with no overlapping penetration in this coverage area by basic affiliates of the same network. It provides the only basic NBC coverage of Mid-Indiana's 760,000 TV set owning families.

For *complete* coverage of Mid-Indiana's multiple markets use the facilities of WFBM-TV . . . the dominating sales force that reaches 50,000 more TV homes than any other local station!

AMERICA'S 13th TV MARKET

Indianapolis—Indiana's major wholesale and retail distribution center, with city and retail zone population of 1,215,000—379,000 homes with 90% TV ownership!

11 Satellite Markets—each within WFBM-TV's verified coverage: Marion • Anderson • Muncie • Lafayette • Peru • Logansport • Kokomo • Bloomington • Vincennes • Terre Haute • Danville, Illinois. (419,000 TV homes!)

how do you fit a walrus into a water bucket?

You can! . . . if you're willing to settle for the tip of his flipper. Like ranking TV markets. You can take a small part of the market by using the metro approach . . . but if you want the whole walrus, you've got to rank by total market! Point! More than 80% of the Charlotte WBTV Market is located outside the metro area, and the Charlotte TV Market contains 550,000 TV homes . . . ranking 22nd in the nation . . . 1st in the Southeast!* Come on in . . . the water's fine. You'll flip over our walrus-size coverage area!
