How to tell all sides of this story in '64...

News frequently has a way of happening when and where you least expect it. The question is, how to be everywhere at once. The answer is AP. No matter what it is or where it breaks, you know you'll get it fast, accurate and with complete objectivity when you take it from AP. From Muleshoe to Moscow—from local weather to world news—every AP member boasts the world's biggest, best qualified news staff. Since 1848, this AP quality story has never changed. It just keeps growing stronger and stronger with every new AP member—including over 2500 radio and television stations who won't settle for less than best.

How to tell all sides of this story in '64...

News frequently has a way of happening when and where you least expect it. The question is, how to be everywhere at once. The answer is AP. No matter what it is or where it breaks, you know you'll get it fast, accurate and with complete objectivity when you take it from AP. From Muleshoe to Moscow—from local weather to world news—every AP member boasts the world's biggest, best qualified news staff. Since 1848, this AP quality story has never changed. It just keeps growing stronger and stronger with every new AP member—including over 2500 radio and television stations who won't settle for less than best.
