

## RONALD BELCHER MEMORIAL AWARD 1994

Dr Rajeev Dadoo

### Dr Rajeev Dadoo

The fourth Ronald Belcher Award has been awarded to Dr Rajeev Dadoo of Stanford University, California. Dr Dadoo's research has been directed towards the advancement and application of capillary electrophoresis in solving biomedical and environmental problems, and he intends using the award to help fund a trip across the Atlantic to take part in a symposium on capillary electrophoresis and to visit European research workers in this field.

The Belcher Award is made in Commemoration of the late Professor Belcher's outstanding contributions to analytical chemistry, international relations and understanding and his interest in student welfare. The award is made in alternate years in the form of a grant to enable a young analytical scientist to travel abroad.
