Available online 16 August 2005

---

This article has been retracted at the request of the Editor-in-Chief, and with the agreement of the authors.

Reason: The content of the article had previously been published in *Chemical Research in Chinese Universities* (Song, C.; Jiang, S.; Singh, G. *Chem. Res. Chinese U.* **2002**, *18*, 146–152).

The two co-authors, Shende Jiang and Chuanjun Song, have informed the Editor that they were unaware of this submission to *Tetrahedron: Asymmetry*.
