Corrigendum

Corrigendum to “Stereoselective total synthesis of (+)-pinellic acid from L-(+)-tartaric acid”

[Tetrahedron: Asymmetry 19 (2008) 1134]

Kavirayani R. Prasad*, Bandita Swain

Department of Organic Chemistry, Indian Institute of Science, Bangalore 560 012, India

The authors regret the inadvertent omission of some references in Ref. 2.

Ref. 2 should read as

Reference
