

ERRATA

G.MAURY and N.H.CROMWELL: Allylic substitutions in the 2-benzalindan, 2-benzylindene series
Tetrahedron Letters No.21, pp. 1717-1719 (1969).

p. 1718, lines 9 and 29, for "X=t-butyl" read "X=t-butyl-NH"
line 24, for "X=NH₂" read "X=NR₂"

S.L.KEELY, Jr., A.J.MARTINEZ and F.C.TAHK: A synthetic route to 1,2,4,5-tetrahydro-3H-benz[e]
indoles
Tetrahedron Letters No. 32, pp. 2763-2766 (1969).

p. 2766, add the following reference:

11. Since the submission of this manuscript, the preparation of Ia by a route differing from that described here has been reported and an aspect of its enamine chemistry delineated. D.A.Evans, Tetrahedron Letters, 1573 (1969).
