A. Corrections of key-words

Tet. Letters No. 46, 4009 (1974)

Paper entitled: "Aminoglycoside Antibiotics:  
Chemical Transformation of paromomycin ... etc."  
by T. Takamoto and S. Hanessian.

Key words should read: [Preferential acetalation;  
 $\beta$ -eliminative degradation]

Tet. Letters No. 46, 4013 (1974).

Paper entitled: "Aminoglycoside Antibiotics:  
Synthesis of ... etc" by T. Ogawa, T. Takamoto  
and S. Hanessian.

Keywords should read: [Preferential Acetalation;  
glycosidation].

Tet. Letters No. 46, 4021 (1974)

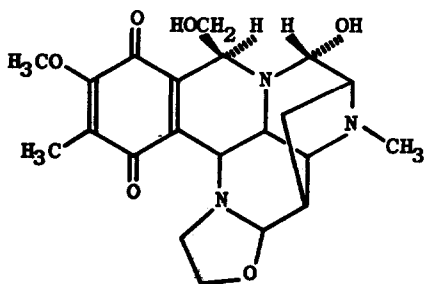

Paper entitled: "Crystal and Molecular Structure  
of Naphthyridinomycin ... etc." by J. Sygusch,  
F. Brisse and S. Hanessian.

Keywords should read: [RNA, protein biosynthesis  
inhibitor; intramolecular hydrogen bond.]

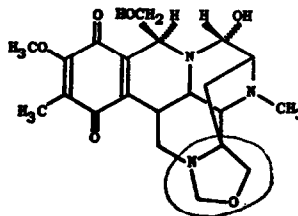

B. Correction of a formula

Tet. Letters No. 46, 4021 (1974) : "Crystal and Mole-  
cular Structure of Naphthyridinomycin. A broad  
Spectrum Antibiotic" by J. Sygusch, F. Brisse  
and S. Hanessian.

Formula at bottom of p. 4021 should be:

**NAPHTHYRIDINOMYCIN**

**NAPHTHYRIDINOMYCIN**

instead of
