

ERRATUM

APLYSINOL FROM LAURENCIA DECIDUA: CRYSTAL STRUCTURE AND
ABSOLUTE STEREOCHEMISTRY

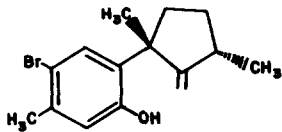

Joyce A. McMillan, Iain C. Paul,*
Salvatore Caccamese, and Kenneth L. Rinehart, Jr.*

School of Chemical Sciences, University of Illinois, Urbana, Ill. 61801, U.S.A.

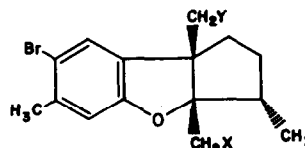

In the paper with the above title that appeared in Tetrahedron Letters No. 47, pp. 4219-4222, 1976, the number designations of the structural formulae were incorrect. They should have been as shown below:

1

2

3: X=Y=H
4: X=OH; Y=H
5: X=H; Y=OH
